

LIMITED WARRANTY

Amish Mike offers a Limited Warranty on all sheds and structures. This warranty covers the structure as specified below. The warranty is non-transferrable and applies only to the original purchaser at the original location. Relocating the structure automatically invalidates this warranty.

When used appropriately and maintained properly, Amish Mike guarantees that the structure will remain structurally sound. Normal wear and tear, fading of exterior surfaces, and general aging, which is common of any outdoor product that is exposed to natural elements, is not covered under this warranty. As with any structure that is located on top of the ground, settling may occur. Amish Mike will only honor a level gravel foundation done by our recommended site prep team. We **cannot** honor or guarantee anyone else's work/prep. Therefore, it is strongly recommended that the building be placed on a proper foundation and/or pad. The customer will also need to provide proper maintenance, including, but not limited to, cleaning and/or painting exterior surfaces and keeping vegetation from growing around the base of the structure.
